OBJECTIVE

Seeking an opportunity to utilize my knowledge, technical expertise, and analytical skills in a dynamic work environment, where I can contribute to meaningful projects, gain practical experience, and grow both personally and professionally.

ACADEMIC CERDENTIAL

Bachelor of Technology in Information Technology

2023 - 2027

Dr. NGP Institute of Technology , Kalapatti Road ,Coimbatore-641048

- CGPA : 8.25 / 10.0 (A/A+ Average)

Higher Secondary Education (Computer Science & Mathematics)

2022 - 2023

Government Model Higher Secondary School

- Precentage : 84.8

PROJECT

To-Do List Management System

2026

- Developed a full-stack Personal To-Do List application using React.js, Node.js, Express.js, and MongoDB.
- Implemented secure user authentication and personalized dashboards using JWT and bcrypt.
- Built task management features including Add, Update, Delete, Pending, Completed, and Overdue task tracking.
- Designed a responsive and user-friendly interface with search, filtering, and productivity analytics.

Smart Career and Education Recommendation System

2026

- Built an AI-based career recommendation system using LLM for personalized guidance.
- Implemented features for course, exam, and college recommendations.
- Designed a responsive and user-friendly interface.

Event Booking and Management Platform

2026

- Developed a full-stack event booking platform using React.js, Spring Boot, Java, and PostgreSQL.
- Implemented user authentication, event browsing, ticket booking, and booking management features.
- Designed and integrated RESTful APIs for secure frontend–backend communication.
- Built a responsive user interface and tested APIs using Postman for reliable performance.

Terrace forming Management System

2025

- Built an IoT-based smart terrace farming system with real-time monitoring via mobile app.
- Automated irrigation using soil moisture sensors to improve efficiency.
- Integrated environmental sensors for data-driven crop management.
- Designed a user-friendly interface for easy control and monitoring.

E-commerce Website

2025

- Built two full-stack e-commerce applications (My Shop & Pet Shop) using React, Node.js, and MongoDB.
- Implemented authentication, product/pet listings, and shopping cart functionality.
- Developed REST APIs and ensured responsive, user-friendly design.

INTERNSHIP EXPERIENCE

KRISH TEC , Tamil Nadu, India

Full Stack Development Intern

- Gained hands-on experience in full-stack web development fundamentals.
- Developed basic user interfaces using HTML, CSS, and JavaScript.
- Learned backend concepts and understood application architecture.
- Explored frontend-backend integration and client-server interaction.
- Strengthened problem-solving skills through practical tasks and mini-projects.

AREA OF INTEREST

Frontend Developer(Javascript,react)

Backend Developer(Node.js,Express.js,SpringBoot,Go)

Full Stack Developer

Database Developer(SQL,MYSQL,Postgresql)

Software Engineer

UI/UX Developer

TECHNICAL SKILLS

Programming Languages(Java,C)

Data Structures & Algorithms

Object-Oriented Programming

Frontend Development

Backend Development

Database Management

Responsive Web Development

Debugging & Problem Solving

CERTIFICATIONS & ACADEMIC ACHIEVEMENTS

NPTEL Certification – Foundations of R Software

NPTEL

- Completed coursework covering fundamentals of R programming and data analysis.
- Achieved Elite certification with a score of 58%.

NPTEL Certification – Introduction to Industry 4.0 and Internet of Things

NPTEL

- Gained knowledge of Industry 4.0 concepts, IoT architecture, and smart systems.
- Achieved Elite certification with a score of 62%.

NPTEL Certification – Human Computer Interaction

NPTEL

- Gained knowledge of user-centered design, usability principles, interaction design, and human-computer interaction concepts.
- Achieved Elite certification with a score of 93%.

ADDITIONAL INFORMATION

- **Languages:** Tamil (Native), English (Professional Proficiency)
- **Soft Skills:** Problem Solving, Communication, Critical Thinking, Team Collaboration
